

OUR STAGES IN CARDIFF, WALES

STAGES 1, 2, 3, 4

Bridging heritage and innovation, our Cardiff studio combines a former Pinewood facility with modern advancements. It now stands as Great Point Studios' latest expansion, offering over 70,000 sq. ft. of stage space across four existing stages and an additional four stages covering 80,000 sq. ft. as part of our upcoming expansion. This facility includes 40,000 sq. ft. of comprehensive support spaces, such as production offices, mill shops, set storage, and costume storage, providing everything needed for a seamless production workflow. Set against the stunning backdrop of Wales' iconic landscapes and located just a short distance from London, Cardiff offers a perfect blend of tradition and modernity for your next production.
